

TCET
DEPARTMENT OF COMPUTER ENGINEERING (COMP)
(Accredited by NBA for 3 years, 3rd Cycle Accreditation w.e.f. 1st July 2019)
Choice Based Credit Grading Scheme (CBCGS)
Under TCET Autonomy

31/01/2023

Programme Specific Research Calendar (Tentative)

A.Y 22-23 Even Semester

Week No	Domain Name	Domain In-charge	Activities Planned
1	Intelligent System Design and Development	Dr. Manish Rana	Group Discussion (Opportunities in AI Sectors)
2	Communication networking and Web engineering	Dr. Anand Khandare	Guest lecture in Communication networking and Web engineering domain from Industry expert.
3	Multimedia System Design and Development	Mr. Shailesh Sangle	Webinar on Multimedia System Design and Development
4	Computing and System Design	Dr. Rekha Sharma	Experience shared by Avishkar winners
5	Software Development and Information System Management	Dr. Rashmi Thakur	Group Discussion on advances in Data Science
6	Multimedia System Design and Development	Mr. Shailesh Sangle	Guest lecture on Multimedia System Design and Development
7	Communication networking and Web engineering	Dr. Anand Khandare	Interaction with Alumni on Communication networking and Web engineering

8	Communication networking and Web engineering	Dr. Anand Khandare	Poster Competition
9	Intelligent System Design and Development	Dr. Manish Rana	Mini Project Competition/Exhibition
10	Software Development and Information System Management	Dr. Rashmi Thakur	Guest Lecture on Dashboard creation and Drawing insights from Data
11	Computing and System Design	Dr. Rekha Sharma	Coding Competition (Peer Learning)
12	Multimedia System Design and Development	Mr. Shailesh Sangle	Interaction with Alumni
13	Communication networking and Web engineering	Dr. Anand Khandare	Expert's guidance on Cloud Platform
14	Intelligent System Design and Development	Dr. Manish Rana	Project Competition
14	Multimedia System Design and Development	Mr. Shailesh Sangle	Mini Project competition on Computer Graphics
14	Communication networking and Web engineering	Dr. Anand Khandare	Mini Project competition on Cloud Computing Environment.
15	Computing and System Design	Dr. Rekha Sharma	Project Competition (Aakar)
15	Software Development and Information System Management	Dr. Rashmi Thakur	Project Competition
